ONE GOOGLE ADWORDS VOUCHER

WORTH
£200

Google is the world's leading search engine and runs the AdWords advertising programme.

Google AdWords enables advertisers to reach the people who are interested in their products or services. Advertisers use Google's automated tools, often with little or no assistance, to create ads, place bids to serve their ads, select the types of sites where they'd like their ads to appear and set daily spending budgets.

AdWords features an automated, low-cost online sign-up process that enables advertisers to implement campaigns that can go live in 15 minutes or less.

FIVE ONE-YEAR SUBSCRIPTIONS TO SIRENIC'S MOBILEPA SERVICE

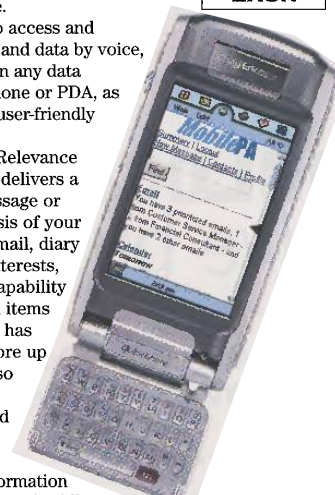

WORTH
£100
EACH

MobilePA is a mobile email service that offers secure access to email, calendar, contacts and other data while on the move.

It allows you to access and respond to emails and data by voice, from the display on any data enabled mobile phone or PDA, as well as through a user-friendly web interface.

Via its unique Relevance engine, MobilePA delivers a concise voice message or e-screen synopsis of your most important email, diary dates and news interests, while its search capability allows you to find items within seconds. It has the capacity to store up to 10,000 emails, so you can retrieve archived email and data as and when you need it.
